Walking Groups

- Note all walks are self-guided, but local knowledge can be provided by the Centre manager
- Detailed information about walks in the high country can be found at these two information sites: [Visit NSW](#) and [Snowy Mountains Tourism](#)
- The wildflowers are in bloom throughout the high country in December – January.
- Weather can change quickly in the high country. We recommend you hope for the best but prepare for the worst when it comes to equipping yourself for an adventure in the High Country.
